A clear decision for council

Use this pack to choose a program, identify a workable date and prepare a booking enquiry.

Professor Jamz brings a DJ and MC school experience for kindergarten through Grade 8. Music, activities and hosting are adapted for each group, with grade rotations planned around your school.

01

Choose the purpose

For a campaign with promotion and collection support, consider the Fundraising Partnership. For a spirit day, graduation or school celebration without a fundraising campaign, consider the School Dance Experience.

02

Choose the timing

Bring preferred dates, student numbers and grade groups. Half-day programs are two hours. The full-day Fundraising Partnership has a four-hour dance window; lunch, breaks and transitions are planned separately.

03

Identify the full budget

Compare the program fee plus HST. Allow separately for any collection costs, school printing and optional add-ons. Prices and availability are confirmed in your quote.

Bring these choices to the meeting

Preferred program _____

Preferred date or date options _____

School goal and main contact _____

> **The next decision is to request a quote.** An enquiry does not reserve a date or confirm a booking. Professor Jamz checks availability and follows up with recommendations and next steps.

PROGRAM COMPARISON

Programs and pricing

All prices are plus HST. Confirm timing and details in your quote.

PROGRAM	HALF DAY	FULL DAY
Fundraising Partnership	**$895**	**$1,195**
School Dance Experience	**$625**	**$925**

Half day: 2 hours. Full-day partnership: four-hour dance window, with setup and takedown outside that window. Full-day School Dance Experience: confirm the schedule in your quote.

FUNDRAISING DETAILS

Understand the costs

Review the program fee and collection costs as separate budget items.

One entertainment and support fee

The Fundraising Partnership has a flat entertainment and support fee, with no percentage of pledges charged for that service. Payment-processing costs are separate and depend on your school's collection method.

Choose a collection method

School Cash Online

Use your school's School Cash Online link. Your school manages this option. Confirm the process and any collection costs during planning.

Cash and cheques

These are also available collection options. Agree on the school's handling process and campaign instructions before sharing materials.

Professor Jamz online pledging

The current website FAQ lists a 10% cost for the Professor Jamz online payment option. This is separate from the entertainment and support fee. Confirm the applicable collection fees during planning.

> **School Comes First Guarantee**
> The current School Comes First Guarantee says that if total fundraising is below the agreed partnership fee, the fee is reduced to the amount raised and $100 is donated back to the school. Confirm the applicable arrangement in your quote.

Keep the campaign welcoming

Invite families to contribute if they are able. Celebrate participation, not individual fundraising totals. No amount of fundraising is guaranteed.

PLANNING YOUR DAY

Organizer checklist

Work through these items with your school and Professor Jamz as the plan takes shape.

What your school provides

Choose a main contact, approve campaign details and share materials with families. Provide normal staff supervision, a gym or event space, a standard power outlet, one equipment table and access for setup. Your school manages School Cash Online if selected.

What Professor Jamz helps with

Professor Jamz brings the DJ and MC equipment, sound and music, and handles setup and removal. Planning support covers grade rotations and event timing. The Fundraising Partnership also includes the fundraising structure, digital materials and a live kickoff before the event.

Confirm together before event day

- [ ] Preferred date, program and main school contact
- [ ] Student numbers, grade groups and the rotation plan
- [ ] Start and finish times, with setup and takedown access
- [ ] Lunch, breaks and transitions planned separately
- [ ] Collection method, any fees and school-approved campaign instructions
- [ ] School review of names, dates, links and deadlines in every resource
- [ ] Supervision, event space, power and equipment table
- [ ] Extra space and rotations if LED mini golf is added

> **Make the timetable specific.** A four-hour dance window is not the total time required on site. Confirm setup access and the planned breaks and transitions when building the school schedule.

PROMOTIONAL RESOURCES

Build excitement at school

The Fundraising Partnership includes a Digital Hype Kit.

Poster design sample

Ready to review and share

- School poster artwork and shareable graphics
- Pledge materials and family communication samples
- Morning announcement recordings
- Student music requests through the Request Room

Materials are digital. Printing is not included. Final school-specific materials are prepared after booking.

A practical promotion sequence

After booking	Confirm the school goal, dates, collection method and campaign details. Review the school-specific materials before they go to families.
Before the event	Use the live kickoff, family messages, posters and announcements to explain the day and build excitement. Share music request information as planned.
Before sharing each reminder	Check deadlines, links and wording. Existing audio is sample material; the one-week recording mentions an earlier website address.

Explore the support kit online | **Preview the Request Room**

The Request Room is live. You can view the welcome screen without entering child information; please do not submit test requests.

QUESTIONS AND NEXT STEPS

Bring your school details

Share the details needed to check availability and prepare a quote.

Will the event suit our grades?

Professor Jamz is designed for kindergarten through Grade 8. Music, activities and hosting are adapted for each group. Include your grade groups and student numbers in the enquiry.

Can we book a dance without fundraising?

Yes. The School Dance Experience is a celebration option without a fundraising campaign. Choose a half day or full day and confirm the schedule in your quote.

Is there another activity besides dancing?

LED mini golf can be added for $699 + HST for the full school day when paired with a full-day Professor Jamz dance. Confirm the space and rotations during planning.

Does sending the form reserve our date?

No. It sends a booking enquiry. Availability, event details, pricing and next steps are confirmed during planning.

> **Have these details handy**
> School name and location, preferred date or date options, program interest, student numbers, grade groups and your school's goals or questions.
